Cllr Tim Knowles  
Chair of the West Cumbria MWS Partnership

Dear Councillor Knowles

Thank you very much for your letter of support dated 25 May.

We are not yet in a position to come and talk to you at the moment as it depends on the results of our community soundings that we will be taking over the summer period.

We will probably be in touch with you in October if we decide to express an interest on behalf of the community.

Yours sincerely
