

Intermediary Group - West Cumbria Carers Group (Beckermet)

Question	Agree	Response
Overview		18 people took part in a group discussion facilitated by Cumbria CVS.
1 – Geology	Not Sure/ Partly	Not sure – needs further investigation
3 – Impacts	Not Sure/ Partly	<p>Transport infrastructure is a key issue and there would need to be a major investment. Also in health facilities.</p> <p>Job creation-majority would be construction. Not necessarily local jobs.</p>
4 – Community benefits	Not answered	<p>Feel unable to comment fully as there are no details. Certain community groups benefit but needs to include potential individual benefit eg taxes and/or community infrastructure.</p> <p>Previous experience ie Drigg low level waste repository (LLWR) – no noticeable community/ individual benefit in immediate area.</p>
9 – Additional comments		A lack of information in general doing nothing is not an option, must make a reasonable decision.
